

Grow@TCS – Start Your Career as a European Trainee

Various Career Paths – Endless Possibilities

Numerous opportunities are available for you to start your career. Which career path do you want to start on?

IT Analyst: Get involved in projects from planning, analysis and implementation to testing and rollout. Assist in the preparation of customized offerings and support business development.

Developer: In diverse teams, you advise and support your clients in designing and implementing digital applications. You participate in the creation of architectural and implementation concepts as well as interface designs.

SAP Analyst: Work in international SAP projects e.g. implementation, upgrade and roll-outs. Prepare and execute workshops and support our SAP presales activities

“There are great opportunities to begin your career and plenty of different options once you’re started – TCS was my first choice”

Kathrin Jakubik
Junior Project Manager, TCS Germany

Grow. Create. Think Digital.

Your ambition is to shape the digital future. Your goal is to continuously grow with engaging tasks. Your passion is to gain new experiences and explore various cultures. At Tata Consultancy Services (TCS), we are looking for motivated talent like you. Get in touch with us today!

Start Your Journey as a Grow@TCS Trainee

The roots of TCS lie in the Tata Group, an Indian global corporation. Our 400,000 experts support top customers worldwide every day. From strategic IT consulting to innovative software solutions and services – at TCS you get to experience it all!

During your one-year program, various training courses will enhance your professional profile and develop your industry knowledge in banking or life sciences, for example. Together with trainees from all over Europe, you will embark on a three-month journey to India, the land of culinary delights and temples.

Working in customer projects will help you understand numerous roles and tasks in the IT Services industry. You will be learning on the job.

After the Grow@TCS Program, you will become immersed in a diverse range of projects across Europe.

Your Qualifications

- You hold a bachelor's or master's degree
- You have practical experience as an intern or working student – ideally in the IT industry or SAP
- You are fluent in German and English
- You are passionate about digital technologies
- You feel at home in an intercultural environment and are open to travel and work within Europe

How You Can Apply

Keen to get started? Send your application documents to germany.careers@tcs.com and include:

- CV/Résumé
- Cover letter including salary expectations
- Relevant references and certificates

Start date of Grow@TCS: 1st September 2019
(application deadline: 15th July 2019)

Independent institutes rank the best working conditions.

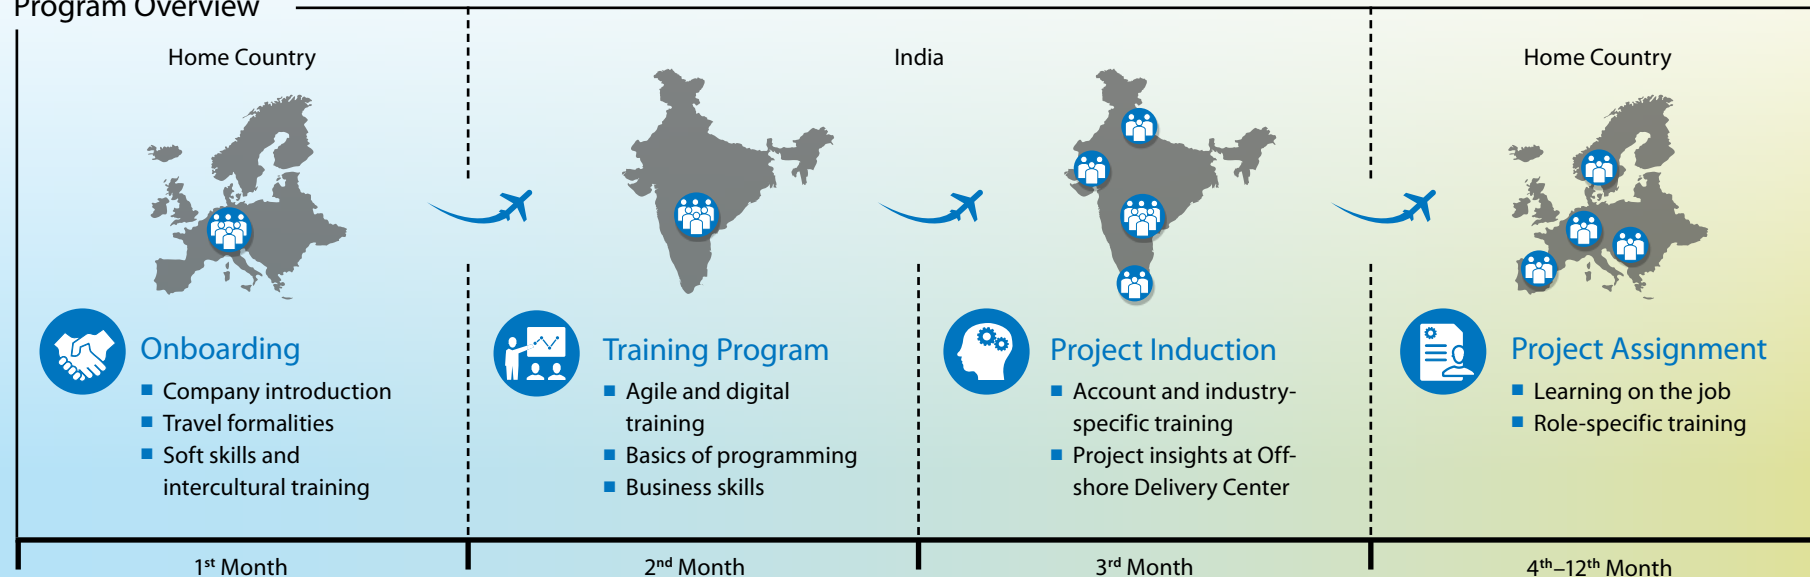

An exciting future awaits you. Apply now!

Gain professional experience in one of the top four global IT companies and develop your individual career.
